YOUNG RESEARCHER POSTER COMPETITION

We are pleased to announce the IM2020 Poster Competition for Young Researchers. Students and Researchers younger than 35 years old (born after 01 January 1985) are encouraged to participate in the Competition and present their valuable work for the interested audience.

Application:

Step 1: Contestants must submit their Abstract(s) through the online Submission System (www.im2020.org)

Step 2: Contestants must submit their Application via email sent to info@im2020.org, with the subject of 'Young Researcher Poster Competition'

In the email please include the following data:

- Contestant name (Author of Abstract),
- Title of Abstract,
- Contestant's date of birth.

If a Contestant who wishes to participate in the Competition already has submitted Abstract(s), no need for re-submission but in the application email along with sending the data please indicate the fact of the existing Submission.

**The deadline of Application and Submission of Abstracts for Poster Presentations is
15 February 2020**

Conditions:

There will be a dedicated time period during Poster Session, when each Contestant must give a 5 minute long presentation about their Poster. Best Poster Presentation will be awarded based on the decision of the Scientific Board. By application the Contestants are obligated to submit Abstract(s), to participate in the IM2020 Conference and to give the required presentation.
